

If the Legislature approves funding for building block “Family Planning Services for All Individuals Under 100% FPL”, then the following intent language is authorized:

The Legislature intends that up to \$35,000 of the funding appropriated to the Department of Workforce Services’ Operations and Policy line item shall not lapse at the close of Fiscal Year 2018 and up to \$1,096,000 of the funding appropriated to the Department of Workforce Services’ Operations and Policy line item shall not lapse at the close of Fiscal Year 2019. The use of any nonlapsing funds is limited to determining eligibility for individuals applying for family planning waiver services and the costs associated to required system changes.
